			Aug. 20 Nashville	Sept. 24 Nashville	Oct. 15 Memphis	Oct. 21 Sevierville	Knoxville	Nov. 5 Nashville	Dec. 3 Nashville

Note: Additional exam dates may already be available - call for details.

Time: 8:00a.m. Check email confirmation for details.

Description: The three-hour written inspection examination is open-book and consists of approximately 80 multiple choice questions. The one-hour plans reading examination consists of approximately 20 questions and is designed to test the examinee's ability to read and understand engineering drawings. The minimum passing grade for each examination is 70%. Recertification is necessary every five years, and requires current Field Technician certification and successful completion of the inspection and plans reading examinations.
