Event Time: 8:00 p.m. - 2:00 p.m.

Event Description: The 2-hour written exam is "open book" and consists of approximately 75 multiple-choice questions. There are between 8 and 12 questions on each of the Standards. To pass the written exam, both of the following conditions must be met:(a) at least 60% correct for each of the required standards; & (b) a minimum score of 70% overall.

The performance exam is "closed book" & requires actual demonstration of the required ASTM Standard. The examinee is judged on his/her ability to correctly perform or describe all of the required procedures for each standard.

Event Locations: TTL, Inc. • 5010 Linbar Dr. Suite 153 • Nashville, TN 37211

Type of Exam: Full Exam - $540 per person (Tennessee Concrete Association member) $900 per person (non-member)

Study book included- sent via UPS upon receipt of payment to company address

Retest - $205

Cancellation Fee: $250/person for no shows.
