## Review Session Description
- Classroom review intended to supplement student’s self-study as part of the ACI Field exam preparation.
- Review the 7 ASTM standards in the ACI Field Tech textbook:  
  (ASTM C1064, C172, C143, C138, C231, C173, C31).
- Take practice exams
- Question & answer discussion
- Hands-on portion to familiarize with operation of performance testing equipment.

*The Review is not required in order to register for the ACI Field Tech Gr. 1 exam however, ACI does recommend attendance of a Review course.*

## IMPORTANT INFORMATION ABOUT ACI EXAMS
- This is a difficult exam to pass. Prior study and practice of the performance tests are highly recommended. Study manual is included in the registration fee, but no materials will be sent until payment is received in the TCA office.
- Walk-ins to the test site will not be allowed – all students must register and pay in advance.
- Substitutions allowed w/prior permission from TCA office. If examinee is unable to attend no refund will be issued if TCA has not been contacted by email dsparkman@tnconcrete.org and phone prior to exam day. Upon prior notification of a cancellation examinee can be placed in the next available class, or a refund will be issued. If a examinee does not attend the second exam session, a refund (less $125) will be issued and the examinee will have to re-register for a future exam session.
